Welcome

**Animal Health Australia (AHA)
Invasive Species Council
(ISC), the Centre for Invasive
Species Solutions (CISS)
and Plant Health Australia
(PHA) are proud to present
the *3rd Australian Biosecurity
Symposium*, held at Sea World
Resort on the Gold Coast,
27-29 August 2024.**

The upcoming Symposium will once more centre on proactive biosecurity measures, offering a platform to showcase research and innovation. It encourages creative thinking, facilitating the exchange of knowledge and ideas among various sectors of the biosecurity community, including agriculture (animals and plants), wildlife, aquatics, humans, and the environment.

This year's theme is 'Innovative. Immersive. Inclusive'.

Australia's biosecurity environment is constantly evolving, bringing forth new and unparalleled challenges. Our journey as the biosecurity collective began in 2019 with the 1st Australian Biosecurity Symposium. At the 2nd Australian Biosecurity Symposium, we marked the launch of the Decade of Biosecurity—a collaborative venture originating from the outcomes of the 2019 Australian Biosecurity Symposium. Fast forward to 2023, we celebrated a significant milestone with the release of Australia's first National Biosecurity Strategy, signifying the completion of the first phase in the Biosecurity Collective's comprehensive five-point plan.

Together, we have achieved significant progress in strengthening our biosecurity framework. However, our journey is far from over. We invite you to join us as we persist in transforming Australia's biosecurity systems. Through innovative ideas and immersive discussions that welcome diverse perspectives, we aim to enhance our ability to safeguard our economy, preserve our environment, and protect our way of life. Your participation is crucial in shaping a more resilient and secure future for us all.

On behalf of AHA, ISC, CISS and PHA we look forward to seeing you at the 3rd Australian Biosecurity Symposium.

About Us

Kathleen Plowman
CEO, AHA

Animal Health Australia is a not-for-profit public company that facilitates innovative partnerships between governments, major livestock industries and other stakeholders to protect animal health and the sustainability of Australia's livestock industry.

Andrew Cox
CEO, ISC

Invasive Species Council was formed in 2002 to keep the Australian environment safe from weeds, feral animals and other harmful invaders and focuses on prevention and early action.

Andreas Glanznig
CEO, CISS

Centre for Invasive Species Solutions is a national collaborative research, development and extension organisation, formed to tackle the ongoing threat from invasive species.

Sarah Corcoran
CEO, PHA

Plant Health Australia is the national coordinator of the government-industry partnership for plant biosecurity in Australia. PHA works to minimise pest impacts on Australia, enhance market access and contribute to industry and community sustainability.

Australia's biosecurity professionals in the one place

The 3rd Australian Biosecurity Symposium will bring together delegates from across Australia's key agricultural, government and community sectors – including some of the most innovative minds and influential players.

The Symposium was a resounding success in both 2019 and 2022, providing sponsors and exhibitors with multiple opportunities to network with key stakeholders related to your industry or organisation and to showcase your products and services.

We invite you to be a part of the 3rd Australian Biosecurity Symposium, providing you with the opportunity to connect with, and promote your company, organisation, or products to this incredibly diverse audience.

We offer a selection of sponsorship, exhibition and promotional opportunities at various levels and can work with you to create a package that fits your needs and budget.

Audience

- The biosecurity collective partners
- State farming organisations
- Research Development Corporations
- University academics and students
- Agribusiness
- Biosecurity professionals
- Scientific researchers
- Natural resource management groups
- Veterinary professionals
- Indigenous land managers
- Supply chain stakeholders
- Risk and insurance experts
- Producers and growers
- Importers and exporters
- Community and industry surveillance specialists

Venue

A sun-kissed city by the sea, Australia's Gold Coast is a place defined by an unmistakable energy. Each year, over 13 million visitors flock to the city, eager to soak up the sun, feel the sand between their toes and take part in the near-limitless range of attractions and experiences.

Destination Gold Coast

With 57 kilometres of sand and surf, 100,000 hectares of World Heritage listed rainforests, award-winning dining, active pursuits and an ever-evolving calendar, along with more than 300 days of sunshine, the Gold Coast is the perfect destination to add a few extra days pre or post conference.

Sea World Resort

Located on Broadwater, with direct access to Sea World and only 15 minutes' walk from the popular Surfers Paradise and Marina Mirage Shopping area, this 4.5-star hotel boasts a 50-metre lagoon pool and waterfall as well as a 12-seater hot tub.

Just under 50 minutes away from the Gold Coast Airport, an hour from Brisbane and situated above Surfers Paradise and Broadbeach, Sea World Resort is the perfect mix of business and pleasure.

Program Outline

The 3rd Australian Biosecurity Symposium will feature thought-provoking presentations designed to ignite discussion and enthusiasm. The event will include a blend of keynote and concurrent presentations, ample networking opportunities, and interactive discussion-based sessions addressing various facets of the biosecurity discourse in Australia.

All daily refreshment breaks will be taken in the Trade Display and Innovation Lane making this the central meeting point for the Symposium, allowing you to have direct contact with delegates over the two full days to network. Take advantage of additional opportunities to network at the Welcome Reception and Symposium Dinner.

A draft schedule is available and more detailed information will become available closer to the event at www.biosym.com.au.

DELEGATE SUPPORTER SPONSOR

\$8,000
(INC GST)

3 AVAILABLE

Support three delegates – such as students, Indigenous rangers, international delegates, community leaders or producers - who, due to distance and funding, find it difficult to attend such events, and give them the opportunity to network with key influencers in the field.

The sponsorship would cover the cost for two full days of registration including two nights' accommodation, flights (up to \$500) and tickets to the Welcome Reception and Symposium Dinner for three delegates.

You will receive:

MARKETING AND PROMOTION

- Acknowledgement as a Delegate Support Sponsor on all Symposium marketing, prior to, and during, the Symposium.
- Verbal acknowledgement during the Symposium.
- Company logo on:
 - » the Symposium website (sponsor page) with a link to your website
 - » the holding slide at the commencement of plenary sessions
 - » the Symposium handbook
 - » the Symposium App
- Company description listed in Symposium handbook & Symposium App (50 words).
- Photo opportunity and short video interviews with all delegates to use as part of your own organisational communications post event.

REGISTRATION AND SOCIAL FUNCTIONS

- 1 x full delegate registration (includes attendance at all sessions, access to Trade Display & Innovation Lane, morning and afternoon tea and lunch breaks, Welcome Reception and Symposium Dinner).
- Opportunity to meet with the supported delegates at an agreed time during the conference.
- Limited additional registrations available at a discounted rate on request.

****Price may be negotiable for support of an alternative number of delegates.***

SYMPOSIUM GALA DINNER SPONSOR

Sponsorship and Exhibition Terms and Conditions

These terms and conditions (T&Cs) constitute an agreement between you (the 'Sponsor or Exhibitor'), Animal Health Australia (ACN: 071 890 956), Invasive Species Council (ABN 27 101 522 829), the Centre for Invasive Species Solutions (ABN 33 114 965 276) and Plant Health Australia (ABN 97 092 607 997) in relation to sponsorship opportunities and/or use of trade display space at the 3rd Australian Biosecurity Symposium at the Sea World Resort (venue) in the Gold Coast, 27, 28 and 29 August 2024 (the Symposium). By signing the Sponsorship and Trade Display Booking Form you acknowledge that you accept these T&Cs.

PAYMENT CONFIRMATION

Please complete the Sponsorship and Trade Display Booking Form and email to emma@conlog.com.au. Upon receipt of your application form, you will be issued with a confirmation email stating your sponsorship entitlements. A tax invoice will then be prepared and forwarded for your processing. A deposit of 50% of the total amount payable will be required within 15 days of receiving the invoice and to secure your sponsorship package preference and/or trade display space. The outstanding balance must be received no later than 15 July 2024. Please forward evidence of your public liability coverage to the Symposium organisers with the balance of monies owed no later than 15 July 2024. If not received, the Symposium organisers will charge the exhibitor an additional fee for this coverage.

CONFERENCE WEBSITE

The size and location of all logos included in conference collateral, on the Symposium website or Symposium signage will be at the discretion of the Symposium organisers and will reflect the level of commercial support given.

TRADE DISPLAY SPACE

Sponsorship packages do not include trade display space unless specifically listed. Sponsors wishing to purchase trade display space will need to do so via the Sponsorship and Trade Display Booking Form.

EXHIBITOR MANUAL

An Exhibitor Manual outlining all technical aspects of exhibiting will be circulated two months before the Symposium. It will include:

- Logistical details about the venue, final exhibition details and information.
- Contractor details services available to exhibitors and order forms.
- Exhibitor display information.

SITE ALLOCATION

Any sponsors wishing to purchase trade display space will be given first preference in booth site selection.

CANCELLATION

1. Requests for cancellations must be submitted in writing.
2. If cancellation is accepted, 50% of the contracted cost to exhibit will be retained.
3. If cancellation occurs within two (2) months of the commencement of the symposium, 100% of the contracted cost to exhibit will be retained.

REGISTRATIONS

Sponsors/Exhibitors are not permitted to attend Symposium Sessions or Networking Functions unless the relevant tickets are offered as part of the particular Sponsorship or Trade display package.

EVENT FORMAT CHANGE

If the format of the Symposium in whole or in part is changed (for example, from an in-person event to an online event or partial online event), then the Symposium organisers will promptly notify the Sponsor of the format change for the Event (as applicable). The Sponsor will not be entitled to any refund or payment of any other moneys. However, the event organisers will endeavour to provide the sponsor with a similar level of exposure to Symposium participants if specific sponsorship components are modified or cancelled.

DISCLAIMER

The Symposium Management Committee have the final authority to approve all sponsorship and trade application and reserve the right to change activities, topics and presenters where necessary. "The organisers shall not be liable for any loss caused by the cancellation of the Symposium where such cancellation is due to Force Majeure. The term "Force Majeure" means any circumstance beyond the reasonable control of the organisers including but not limited to War, hostilities (whether war be declared or not), terrorism, aircraft hijacking, military operation, riot, civil war, rebellion, civil commotion or unrest, Acts or Regulations of government, refusal to grant visas, explosions, natural disasters, epidemic, pandemic or public health emergency, or any resulting governmental action including work stoppages, mandatory business, service or workplace closures, full or partial lockdowns of affected areas, quarantines, border closures and travel restrictions, transport delays, transport difficulties and the insolvency of airline carriers. The organisers will use all reasonable efforts to conduct the Symposium despite the intervention or occurrence of any such cause."
